## Introduction

**The Syrian Medical Association for Syrian Expatriates (SEMA):** It is a humanitarian, medical relief, non-profit, national organization; it has no association with political systems, parties or ideologies. All its humanitarian relief work shall be provided to all without regard to race, sex, color, religion, sect, denomination or language.

## Monthly Report: Sema in a month

The monthly newsletter aims to highlight the achievements and projects sponsored by the Association and provide a clear idea for the followers of the Association about the amount work in these projects through various statistics, in addition to cover the events in which the Association had participated with detailed reports on the activities of the Department of Training and Education and courses that With a brief description of the number of medical devices that the Engineering Office has repaired or maintained.

## Success stories

### Successful Surgery Saves a Life: Elderly Patient Defies the Odds

An elderly patient, facing a 90% risk of death due to «Subarachnoid Hemorrhage,» found hope at the Surgical Emergency Department of the Specialized Surgical Hospital in Idlib. Despite severe abdominal pain and low blood pressure, our skilled medical team successfully performed a life-saving surgery. For a more detailed account of this remarkable procedure, check out the link below:

## Success stories

### **Inspiring Recovery: Intensive Care Unit at Waseem Hussein Hospital Makes a Difference**

Witness the incredible story of a woman who overcame respiratory failure in the newly opened Intensive Care Unit at Waseem Hussein Hospital. Thanks to emergency life support provided by our dedicated team, her condition improved, and she made a remarkable recovery. Watch the video below to experience the power of our intensive care unit:

## NEWS

### **Boosting Financial Support: SEMA Organization Distributes 250 Cash Vouchers to Vulnerable Families**

In our ongoing commitment to providing financial assistance to those in need, SEMA Organization has distributed 250 cash vouchers valued at \$150 each. These vouchers were specifically targeted towards vulnerable families, including single mothers, caregivers of individuals with special needs, and those facing critical medical conditions. Through the Basmat Center in the Sharan area, we aim to uplift and support the most socially disadvantaged groups. Learn more about this initiative by clicking the link below:

## NEWS

### **Cardiology Clinic Inaugurated: Waseem Hussein Hospital Takes a Stand Against Cardiovascular Diseases**

Cardiovascular diseases continue to be a leading cause of death in our region. In response, SEMA has opened a state-of-the-art cardiology clinic at the Waseem Hussein Hospital in Kafr Takharim. Our goal is to prevent cardiovascular-related deaths and provide effective management and treatment for heart diseases. Watch the video below to hear Dr. Hussein Al-Sawadi, a cardiology specialist at the hospital, explain the comprehensive treatment services available, and hear from beneficiaries sharing their experiences:
