Introduction

The Syrian Medical Association for Syrian Expatriates (SEMA): It is a humanitarian, medical relief, non-profit, national organization; it has no association with political systems, parties or ideologies. All its humanitarian relief work shall be provided to all without regard to race, sex, color, religion, sect, denomination or language.

Monthly Report: Sema in a month

The monthly newsletter aims to highlight the achievements and projects sponsored by the Association and provide a clear idea for the followers of the Association about the amount work in these projects through various statistics, in addition to cover the events in which the Association had participated with detailed reports on the activities of the Department of Training and Education and courses that With a brief description of the number of medical devices that the Engineering Office has repaired or maintained.

Opening of the Specialized Gastroenterology Clinic at Idlib Surgical Hospital

In its continuous effort to expand medical services for our people in northern Syria, SEMA has inaugurated the specialized gastroenterology clinic at the SEMA-supported Idlib Surgical Hospital.

This new initiative aims to improve specialized medical services. The gastroenterology clinic is equipped with a dedicated section for upper and lower diagnostic and therapeutic endoscopy, which aids in the early detection of numerous diseases such as stomach cancer, esophageal cancer, colon cancer, and anemia.

UN Team Visit to Ariha Hospital Supported by SEMA

Teams from the United Nations Office for the Coordination of Humanitarian Affairs (OCHA) and the United Nations Population Fund (UNFPA) conducted a field visit to several hospitals in northern Syria, including Ariha Hospital for Women and Children, supported by SEMA.

The UN team reviewed the medical services provided at the hospital, discussing ways to optimize these services. They also met with patients, discussing their primary needs and listening to their experiences and evaluations of the medical services provided to them in northwest Syria.

Installation of 80 Hearing Aids for Beneficiaries at Al-Rafah Elderly Care Home

We share the joy of our elderly fathers and mothers as they receive their hearing aids, ending their struggle with hearing loss and social isolation.

Their happiness is indescribable after we installed 80 hearing aids, allowing them to reintegrate into society and regain their ability to communicate effectively with those around them. We wish them a life full of happiness, close to their families and loved ones.

SEMA Accompanies Residents of Al-Rafah Elderly Care Home during Eid

The days of Eid were special with our elderly parents residing in Al-Rafah Elderly Care Home in Idlib. We shared this joy with them, and they, in turn, shared beautiful memories of the past with us.

We spent moments filled with communication and affection together. We talked with them and listened to their stories. Indeed, these were truly special moments, brimming with happiness, joy, and nostalgia for many memories.

We concluded the event by recording tokens of brotherhood and loyalty and presenting them with gifts.
