Monthly Report: Sema in a month

The monthly newsletter aims to highlight the achievements and projects sponsored by the Association and provide a clear idea for the followers of the Association about the amount work in these projects through various statistics, in addition to cover the events in which the Association had participated with detailed reports on the activities of the Department of Training and Education and courses that With a brief description of the number of medical devices that the Engineering Office has repaired or maintained.

One of the inspiring success stories in our record

Follow in this video the stages of Ibrahim's recovery from his injury after he arrived in a deplorable condition following a tractor accident.

His recovery story has been inspiring to everyone, encouraging further efforts:

SEMA responds to a shocking incident: 20 children drown in the Orontes River during a school trip.

The first moments of rescuing a group of children show more than 20 children arriving at Al-Rahma Hospital in Darkoush, including 6 children who passed away, after being pulled from the Orontes River following an accident on the Darkoush road.

You can watch the first moments of the rescue operation through the link:

Hundreds of food packages provided by SEMA have arrived for our people in the camps of northern Syria.

Hundreds of shares of sacrificial meat have reached our people in the camps of Qah and Sufuhon in the countryside of Idlib, targeting the most affected displaced people from the war.

Thank you to everyone who contributed to this humanitarian initiative and helped bring joy to dozens of families during Eid al-Adha.

A social event accompanies the activities of the Al-Nour Community Center in Salqin

The center targets dozens of families to distribute Eid sweets to them.

Eid joy events, including «Eid cookies» have become an annual tradition carried out by social centers supported by SEMA as a way to enhance participation and spread the joy of Eid.
