# SEMA IN MONTH

**07**  
**2024**

**July**

## **Introduction**

**The Syrian Medical Association for Syrian Expatriates (SEMA):** It is a humanitarian, medical relief, non-profit, national organization; it has no association with political systems, parties or ideologies. All its humanitarian relief work shall be provided to all without regard to race, sex, color, religion, sect, denomination or language.

## **Monthly Report: Sema in a month**

The monthly newsletter aims to highlight the achievements and projects sponsored by the Association and provide a clear idea for the followers of the Association about the amount work in these projects through various statistics, in addition to cover the events in which the Association had participated with detailed reports on the activities of the Department of Training and Education and courses that With a brief description of the number of medical devices that the Engineering Office has repaired or maintained.

## From a Bag Seller to a Diligent Student: Mustafa's Journey Back to School

In our monthly newsletter, we share one of our inspiring stories from the protection sector, where we embarked on a long journey in the life of Mustafa, the orphaned child who worked as a bag seller to support his family.

See more details about how his life and his mother's life have changed by reading the full story here:

## **Milestones in the Life of Experienced Surgeon Dr. Hossam Dabees**

The first impression any of us might have about the profession of a «surgeon» may not match the reality from the surgeons» own perspective.

We might see them as possessing an extraordinary ability to handle bleeding wounds with calm and steady nerves.

However, what Dr. Hossam Dabees shares with us makes us reconsider, allowing us to see the human side of the doctor holding the surgical scalpel.
