Introduction

The Syrian Medical Association for Syrian Expatriates (SEMA): It is a humanitarian, medical relief, non-profit, national organization; it has no association with political systems, parties or ideologies. All its humanitarian relief work shall be provided to all without regard to race, sex, color, religion, sect, denomination or language.

Monthly Report: Sema in a month

The monthly newsletter aims to highlight the achievements and projects sponsored by the Association and provide a clear idea for the followers of the Association about the amount work in these projects through various statistics, in addition to cover the events in which the Association had participated with detailed reports on the activities of the Department of Training and Education and courses that With a brief description of the number of medical devices that the Engineering Office has repaired or maintained.

Al-Rahma Hospital Resumes Services in Darkoush

SEMA has resumed its support for Al-Rahma Hospital in Darkoush, with funding from the Syria Cross-Border Humanitarian Fund (SCHF). This marks the reopening of one of the key border hospitals serving northern Idlib.

Al-Rahma Hospital in Darkoush is one of the vital hospitals in the northern Idlib countryside, providing free, specialized medical services to local residents and displaced people. The renewed support enhances the quality of services offered and increases the hospital's capacity.

SEMA Provides More Hearing Aids for the Elderly in Northern Syria

The elderly hold a special place in SEMA's protection initiatives in northern Syria, where they are given priority in receiving medical aids such as wheelchairs and hearing aids.

Recently, SEMA fitted 40 hearing aids for seniors over the age of sixty at the Dana Primary Healthcare Center and Al-Ikhaa Hospital.

This initiative aims to bring positive change and hope to our elderly community members, enhancing their ability to communicate and interact.

OCHA Conducts Third Round of Visits to Protection Centers in Northern Syria

The humanitarian teams from the United Nations Office in Gaziantep continue their field visits to social centers overseen and directly managed by the NGO, SEMA.

The latest of these visits was a field tour by the United Nations OCHA team to the Bulbul and Sharran centers in the Afrin countryside, aiming to provide social services to children, women, and all community groups.

The UN team was accompanied on the field tour by SEMA staff from Gaziantep, including protection, monitoring and evaluation, and human resources officers.

Suicide Prevention Teams Hold Event for World Suicide Prevention Day

The event aimed to raise awareness about suicide prevention, reduce access to means of suicide, and ultimately lower suicide mortality rates.

The activities included a video presentation explaining suicide, a discussion of theoretical information on the topic, causes, main risk and protective factors, and ways to prevent suicide. Common myths about suicide were also addressed, along with real-life examples. The event concluded with an interactive Q&A session.
