SEMA IN MONTH

January

01
2025

Introduction

The Syrian Medical Association for Syrian Expatriates (SEMA): It is a humanitarian, medical relief, non-profit, national organization; it has no association with political systems, parties or ideologies. All its humanitarian relief work shall be provided to all without regard to race, sex, color, religion, sect, denomination or language.

Monthly Report: Sema in a month

The monthly newsletter aims to highlight the achievements and projects sponsored by the Association and provide a clear idea for the followers of the Association about the amount work in these projects through various statistics, in addition to cover the events in which the Association had participated with detailed reports on the activities of the Department of Training and Education and courses that With a brief description of the number of medical devices that the Engineering Office has repaired or maintained.

SUCCESS STORIES

Three Little Hearts Beating with Life

Ahmad, Khaled, and Fatima—three tiny souls united as a beautiful set of triplets—began their life journey under the care of Idlib Surgical Specialty Hospital, supported by SEMA. All necessary medical examinations were conducted, and they are now in good health. We pray that their lives are blessed with health and well-being.

We extend our deepest gratitude and appreciation to the hospital's healthcare staff for their tremendous efforts and dedication in providing the best possible care for newborns.

Field Visit by OCHA Team to Ariha Maternity and Children's Hospital

The United Nations OCHA team conducted a field visit to Ariha Maternity and Children's Hospital, supported by the Cross-Border Humanitarian Fund for Syria and implemented by SEMA. During the visit, the team conducted an inspection tour to monitor operations and assess the main challenges faced by the medical and administrative staff, aiming to ensure the continuity of services and improve their quality.

SEMA Supports Patients: A Meat Distribution Initiative for Damascus Hospitals

Believing in the importance of improving the quality of nutrition provided to patients and medical staff in Damascus, the Syrian Expatriate Medical Association (SEMA), in coordination with the Directorate of Planning and International Cooperation and the Directorate of Health, launched an initiative to distribute quantities of raw meat to the kitchens of Al-Mouwasat Hospital and Ibn Al-Nafees Hospital.
