SEMA Spreads Joy and Plants Hope in Children's Hearts

On every holiday, SEMA remains committed to bringing joy to the hearts of the most vulnerable children—ensuring their Eid is complete and their smiles are as bright as those of their peers. As part of the «Eid Joy» initiative, SEMA's protection teams distributed Eid clothing in the countryside of Aleppo and Idlib, reaching 330 orphaned and needy children, following a thorough needs assessment to ensure support reaches those most in need. The joy also reached Damascus, where 882 children—sons and daughters of martyrs and former detainees—took part in a love-filled and hope-filled event that brought back smiles to their faces. Happiness filled the children's hearts and their faces lit up with joy. This initiative came at just the right time, ahead of Eid al-Adha, offering them unforgettable moments of celebration.

SEMA extends its heartfelt thanks to everyone who contributed to making these children happy and calls for continued generosity so that no child is ever deprived of the joy of Eid.
